NEW SPIRIT IN NATION

McAdoo's New Plea and News
From France Spurs Work-
ers in Big Campaign.

One day more.

A million dollars a minute, accord-
ing to a National Treasury Depart-
ment estimate, is the rate at which
Fourth Liberty Loan bonds must be
sold to-day and to-morrow.

Four big corporations started the
rush in New York to-day by big new
subscriptions in addition to their
earlier ones. The Prudential Insur-
ance Company of America added
\$20,000,000 to its earlier \$10,000,000;
the Central Union Trust Company on
behalf of its customers subscribed for
\$25,000,000 more, and the Mutual Life
Insurance Company took an addi-
tional \$20,000,000. The New York
Trust Company took \$10,000,000 more.

Other subscriptions brought to-
day's unofficial total of new subscrip-
tions up to about \$145,000,000, and
the unofficial grand total for the dis-
trict up to about \$1,206,000,000. This
leaves about \$594,000,000 to be sub-
scribed before midnight to-morrow.

The official total for the New York
district as announced by the Liberty
Loan Committee at 10 o'clock this
morning was \$1,011,000,000. This in-
cludes an overnight gain of \$22,-
267,400. The gain for twenty-four
hours was about \$125,000,000.

Members of the firm of J. P. Mor-
gan & Co. were at luncheon to-day
when one of their number, Thomas
W. Lamont, addressed them on behalf
of the loan. He said the mere fact
that the firm itself had subscribed
\$25,000,000 did not relieve the per-
sonal responsibility of any member.
He called for "personal" subscrip-
tions. Mr. Morgan himself took
\$1,000,000 for his personal account.
Charles Stebbins, Thomas W. Lamont,
William H. Forster and H. P. Davison
each took \$500,000. Thomas Cochran,
D. W. Morrow, E. B. Stebbins and
William P. Hamilton each took
\$250,000.

The largest subscriptions received
thus far to-day are as follows:
Central Union Trust Co. (Ad-
ditional for its customers) \$25,000,000

FINE 30 BUTCHERS FOR PROFITEERING; REFUND ORDERED

Food Board Then Decides All
234 Are Guilty and Gives
Them Chance to Settle.

President John Mitchell of the Fed-
eral Food Board this afternoon halted
the investigation of the 234 butchers
charged with profiteering. He told
those present that every one was as
guilty as the other, and that those
who wished to abide by the board's
decision could pay their \$100 fine at
the complaint bureau of the Red
Cross any time to-day. Those who
demanded a separate hearing could
appear before the board at 10 o'clock
on Monday morning.

Thirty butchers pleaded guilty to
profiteering this morning. Each was
fined \$100, to be paid into the Red
Cross. They were obliged to pur-
chase Liberty Loan Bonds of \$100
each. One was fined an extra \$25.
All were compelled to make restitu-
tion to the customers they had mis-
served.

W. M. Stein, a butcher, of No. 334
Third Avenue, was the first man
found guilty and he was fined \$25 and
ordered to buy a \$100 Liberty
Loan Bond, both to be turned in to
the Red Cross, and further ordered
him to return his overcharges to his
customers. Mr. Mitchell then said:

"A notice of this decision will be
furnished you and you will post it
in your shop. But this penalty
does not give you a clean bill of
health. This board cannot give a
clean bill of health to men of your
kind."

"When a pickpocket steals
money from a man in the street
he cannot adjudicate the crime by
returning the money he has stolen.
He must also pay the penalty."

Stein was the first of 234 butchers
brought before the board to answer to
charges of profiteering. In having
charged their customers from 10 to 12
cents a pound on lamb in excess of
the price suggested by the Food Ad-
ministration, Arthur Williams, Fed-
eral Administrator for New York
City, is sitting with President Mit-
chell, Charles Robertson is counsel
for the board.

Thirty of the fifty butchers who had
been summoned to be at the hearing
by 2 o'clock agreed to the fines im-
posed by the board. Four were com-
pelled to buy \$100 Liberty Loan bonds
and turn them over to the Red Cross.
The remainder pay to the Red Cross
\$100 in cash.

Six men failed to appear. Four-
teen demanded a separate hearing.
Stein admitted that he had charged
15 cents a pound for lean chops, an

PLAN TO ORGANIZE AUSTRIA ON A FEDERALIZED BASIS PROCLAIMED BY EMPEROR

Italian Trentino Demands Met
by Allowing Trieste to De-
cide Its Government.

AUSTRIAN POLAND OUT.

Country Must Be Re-Formed
at Once on Solid Basis,
Says Charles.

VIENNA, Oct. 18 (via Basel, Swit-
zerland).—Steps for the organization
of Austria on a federalized basis were
proclaimed by Emperor Charles to-
day. The plan does not include the
union of Austrian Poland with the
independent Polish state, the Em-
peror declared.

"The city of Trieste and the Trieste
region will be treated separately, in
conformity with the wishes of its
population," the manifesto adds.

The Austrian Emperor's manifesto,
"to my faithful Austrian peoples," is
as follows:
"Since I have ascended the throne
I have tried to make it my duty to
assure to all my peoples the peace
so ardently desired and to point the
way to the Austrian peoples of a
prosperous development unhampered
by obstacles which brutal force cre-
ates against intellectual and economic
prosperity."

"The terrible struggles in the world
war have thus far made the work of
peace impossible. The heavy sacri-
fices of the war should assure to us
an honorable peace on the threshold
of which by the help of God we are
to-day."

"We must, therefore, undertake
without delay the reorganization of
our country on a natural and there-
fore solid basis. Such a question de-
mands that the desires of the Aus-
trian peoples be harmonized and real-
ized."

"I am decided to accomplish this
work with the free collaboration of
my peoples in the spirit and principles
which our Allied monarchs have
adopted in their offer of peace."

"Austria must become, in con-
formity with the will of its peoples, a
confederate state in which each na-
tionality shall form on the territory
which it occupies, its own local
autonomy."

"This does not mean that we are
already envisaging the union of in-
dependent territories of Austria with an
independent Polish state."

"The City of Trieste, with all its sur-
roundings, shall, in conformity with
principles."

Wilson's 10th Point

Of the fourteen points laid down
by President Wilson in his
peace programme, this was the tenth:
"The peoples of Austria-Hungary,
whose place among the nations we
wish to see safeguarded and assured,
should be accorded the freest oppor-
tunity of autonomous development."

CENTRAL POWERS EVACUATE THE TERRITORY OF SERBIA, ALBANIA AND MONTENEGRO

Action in Compliance With Presi-
dent Wilson's Note, Says De-
spatch From Vienna.

LONDON, Oct. 18.—The evacu-
ation of the territory of
Serbia, Albania and Monte-
negro by forces of the Central
Powers has begun according to a
despatch from Vienna forwarded
by the Amsterdam correspondent
of the Central News Agency. This
action is said to be in compliance
with President Wilson's note.

Unofficial Reports to Amsterdam

AMSTERDAM, Oct. 18.—No German
submarines have gone to sea since
Chancellor Max's armistice offer, ac-
cording to unofficial reports received
here to-day.

The desire of its population, or
treated separately."

In 1866 Trieste was Italian by na-
tional language and by tradition. Austria's
domination over Trieste started in
1815. Until 1913 Trieste was an auto-
nomous Italian commune, though
formally tributary to Austria. In
January, 1919, the population of
Trieste assembled in the City Hall
and signed a formal protest against
the efforts to denature the education
of the people by depriving them of
Italian schools, books, maps, &c.

Their protest was futile. Immedi-
ately afterward Slav priests took pos-
session of all churches and schools
and placed Slav authorities in
charge. Everything in the town of
Trieste was changed to Slav prin-
ciples.

GERMANY'S REPLY TO WILSON NOT FINISHED, LATEST REPORT

Amsterdam Says Reichstag, Cabinet, War
Leaders and Council Consider Answer,
but Have Not Completed Text.

AMSTERDAM, Oct. 18.—Members of the Reichstag, the Federal
Council and the Cabinet and military and naval officials con-
ferred in Berlin yesterday in regard to the reply which will
be sent to President Wilson, according to advices received here to-day.
The reply, it is reported, is not yet completed.

Many Are Wounded by Sabres
in Street Clash.

AMSTERDAM, Oct. 18 (Associated Press).—A demonstration by the
German Independent Socialists in Unter den Linden in Berlin to-day is re-
ported by the Cologne Volks Zeitung.

The crowd sang "The Marseillaise."
The police, adds the newspaper, prevented the demonstrators from
reaching the Imperial Palace.

There was a clash in which some of the crowd were slightly injured
by the police sabres.

CRIES FOR ENTENTE AND PEACE MINGLE IN HUNGARIAN DIET

Address to King Places Dele-
gates Squarely in Line With
Wilson's Principles.

BASEL, Oct. 18.—Hungarian
scenes prevailed at the meeting of
the Hungarian Diet yesterday during
which demands for peace were made
and it was announced that Austria
was being organized on a federal
basis.

So great was the uproar that the
speaking officer was obliged to ad-
journ the sitting. The disorder con-
tinued, however, the Dietmen calling
each other "chickadee, har, trator,
slave" and so forth.

Dr. Alexander Wekerle, the Hun-
garian Premier, said the federal state
which will be formed in Austria will
organize their economic and military
politics on an autonomous and in-
dependent basis. He made an appeal
for united action by all parties.

Count Michael Károlyi, President of
the Hungarian Independent Party,
who followed Dr. Wekerle, demanded
that immediate peace negotiations be
begun without regard to the initial
interest policy which has hitherto
been followed, according to advices
from Budapest.

Count Stephen Tisza, former Hun-
garian Premier, who on Wednesday
had a narrow escape from a would-be
assassin, also asked Count Károlyi to
bring "You are Entente agents."

Martin Novak, one of the mem-
bers of the Diet, answered: "We are
friends of the Entente."

Great disorder ensued in the Cham-
ber.

When the sitting was resumed
after a brief postponement, a draft
of the address to the King was read.

Belgians Striking to Cut Off German
Retreat Before Ghent as With-
drawal Continues on Wide Front
—Enemy Retiring Between Oise
and Serre.

BRITISH HEADQUARTERS IN FRANCE, Oct. 18 (Reu-
ter).—Belgian infantry forces entered the city of Bruges to-day.

AMSTERDAM, Oct. 18.—Huge fires have been seen in the
direction of Bruges, reports from Flushing say. The flames are
spreading.

It is also reported that Zeebrugge is partly in flames. Three
conflagrations there are clearly visible in Flushing.

The outbreak of the fires was accompanied by terrific explo-
sion, suggesting that the Germans are destroying munition dumps
and hangars.

PARIS, Oct. 18.—Tourcoing and Roubaix are reliably reported to
have been captured by Allied troops.

LONDON, Oct. 18 (Associated Press).—Zeebrugge, the port of
Bruges and the second important German submarine base on the Belgian
coast has been occupied by Allied forces.

Bruges itself, which is seven miles south of Zeebrugge, has been evacu-
ated by the Germans, according to information received at the Belgian
Army Headquarters.

Tourcoing, a city six miles northeast of Lille, has been entered by
British troops, according to the Evening News.

Between the Seneze Canal and the Lys River the British are contin-
uing their advance on the whole front.

The Germans are preparing to inundate the low lying lands south
of the River Scheldt in eastern Belgium, a Central News Despatch from
Amsterdam reports. The inhabitants have been ordered to abandon
their homes immediately.

Belgian cavalry is pursuing the retreating enemy on the Flanders front
with the object of cutting off his retreat to Ghent. The artillery is
following swiftly and carrying out a vigorous bombardment with the
same object.

The town of Blankenberge, on the Belgian coast southwest of
Zeebrugge, was occupied by Allied forces to-day.

FALL OF ROUBAIX NEAR AT HAND.

From the Scarpe to the sea the process of flattening out the German
line continues and many interesting developments may be expected
shortly. The fall of Roubaix probably will follow that of Tourcoing.
The line from Tourcoing now runs southward along the Lille-Douai
Railroad.

Indications are that the Germans are about to evacuate the pocket
between the Serre and the Oise north of La Fere.

Some of the German garrison failed to get away from Ostend. The
men were handed over to the Allied forces by the civilian population.

It developed to-day that King Albert flew over Ostend when it was
still occupied by the Germans.

Haig's forces north of Cambrai captured a number of villages and
crossed the Douai-Denain Road. Advancing northeast of Lille, the British
reached a point within a mile of Tourcoing, the official report says.

PARIS, Oct. 18 (United Press).—Franco-Belgian forces, southeast
of Thieffry, are marching toward Deynze (eight miles southwest of Ghent).

The British have overrun Courtrai and the Germans, fighting hard,
are retreating toward Audenarde (thirty miles west of Brussels). Roubaix
virtually has been taken.

The new Allied drive in the Oise region particularly menaces Ribe-
mont (seven miles southeast of St. Quentin). Once this town is taken
it will be easy to push on to Guise. The Germans are precipitously
abandoning their positions northeast of La Fere.

GERMANS IN A NEW RETREAT BETWEEN THE OISE AND SERRE

PARIS, Oct. 18 (Associated Press).—The Germans have begun a
new retirement movement in the area between the Oise and Serre.
